

Germany's 16 States Adopt a Joint AI-in-Schools Framework (KMK Handlungsempfehlung)

AI in Education · Good practice · Germany

Quality score: 67/100

Evidence strength: Moderate

Summary

On 10 October 2024, Germany's Kultusministerkonferenz — all 16 state education ministries — adopted a joint framework for AI in schools covering teaching methods, exam formats, mandatory teacher training, legal compliance, and free GDPR-compliant AI access for all students.

Key dimensions

Dimension	Score
Evidence of learning impact	0/3
Equity & inclusion	2/3
