

GovTech Digital Skilling Program — Bhutan's National Push to Certify 400,000 Citizens by 2029

Digital Inclusion · Good practice · Bhutan

Quality score: 48/100

Evidence strength: Descriptive / self-reported

Summary

Bhutan's GovTech Agency runs a free 12-day national digital-skills course, prioritising unemployed citizens and workers aged 40-49, aiming to certify 400,000 people—about half the population—by 2029.
