

GPT-BJ — Benin's Sovereign AI Legal-Information Chatbot for Citizens and Businesses

AI in the Public Sector · Good practice · Benin

Quality score: 27/100

Evidence strength: Cautionary / limited

Summary

ASIN, Benin's digital agency, built GPT-BJ, a sovereign AI chatbot trained on the country's tax, digital, labour and penal codes to answer citizens' legal questions in plain language. It won Innovation at GITEX Africa 2024 among ~40 entries, but no usage data is published.
