

Greenland Venture–Vækstfonden Growth Capital Partnership

City Innovation Library · Good practice · Greenland

Quality score: 43/100

Evidence strength: Moderate

Summary

Denmark's state growth fund Vækstfonden and Greenland's state-owned Greenland Venture jointly committed 220 million DKK in 2019 to co-invest 50/50 in Greenlandic growth companies. Documented deals — mostly mining ventures — are real but few, with no published aggregate outcome data
