

Greenland's Act on Gender Equality and Council of Gender Equality

Gender Equality · Good practice · Greenland

Quality score: 67/100

Evidence strength: Descriptive / self-reported

Summary

In 2011 Greenland's government legislated gender quotas for boards of public and publicly-owned companies; a 2013 Act on Gender Equality followed, creating a Council of Gender Equality. Despite 61% of women holding higher education degrees, women hold only about 38% of management
