

Guyane Développement Innovation — Building a Post-Spaceport Bioeconomy in French Guiana

City Innovation Library · Good practice · French Guiana

Quality score: 52/100

Evidence strength: Descriptive / self-reported

Summary

French Guiana's regional innovation agency GDI works to spread the know-how clustered around the Guiana Space Centre — which INSEE puts at roughly 15% of territorial GDP and 4,700 jobs — into energy, bioresources, digital and other local sectors.

Key dimensions

Dimension	Score
