

Illariy — Peru's State News Agency Builds the World's First Quechua AI News Presenter

AI in the Public Sector · Good practice · Peru

Quality score: 33/100

Evidence strength: Cautionary / limited

Summary

Peru's state news agency Andina, the official gazette El Peruano and public university UNMSM built Illariy, an AI news presenter in Quechua's Ayacucho-Chanka dialect with 80–90% accuracy, viral on TikTok and trademarked by INDECOPi in 2025.

Key dimensions

Dimension	Score
