

India's DPDP Rules 2025 — National Child Data Protection Framework for Schools and EdTech

AI in Education · Good practice · India

Quality score: 47/100

Evidence strength: Moderate

Summary

India's Digital Personal Data Protection Rules 2025, gazetted 13 Nov 2025, impose verifiable parental consent, ban behavioural tracking and targeted ads to under-18s, and set fines up to ■200 crore — reshaping how EdTech platforms and schools handle student data.

Key dimensions

Dimension	Score
