

Indonesia's Joint 7-Minister Decree Sets Age-Based Rules for AI Use in Schools

AI in Education · Good practice · Indonesia

Quality score: 47/100

Evidence strength: Descriptive / self-reported

Summary

On 12 March 2026, seven Indonesian cabinet ministers jointly signed a decree setting age-based limits on AI and digital-technology use in education, barring elementary and secondary students from instant-answer AI tools while easing restrictions at higher levels.
