

Innovation Centre Kosovo (ICK) – Digital Skills & Startup Inclusion

Digital Inclusion · Good practice

Quality score: 52/100

Evidence strength: Moderate

Summary

Kosovo's leading tech hub has trained 11,000+ people through 671 courses and supported 500+ startups with EUR 7.5M in assistance since 2012, though independent commentary flags donor dependency and inconsistent self-reported jobs figures (1,000–5,000 across different sources).
