

Integreat — Municipality-Run Multilingual Newcomer Information Platform (Tür an Tür – Digitalfabrik, Augsburg)

Digital Inclusion · Good practice · Germany

Quality score: 96/100

Evidence strength: Strong

Summary

Free open-source app and CMS where German municipalities publish local, offline-capable newcomer information in many languages incl. simple German. EC lists 4.5M+ page views in 2024, 62% in non-German languages; rigorous impact evidence still limited.

Key dimensions
