

Ireland's NDA Web Accessibility Monitoring — Public-Sector Error Rate Nearly Halves in a Year

Digital Inclusion · Good practice · Ireland

Quality score: 88/100

Evidence strength: Observational / pre–post

Summary

Ireland's National Disability Authority audits public-sector websites and apps under the EU Web Accessibility Directive. Between Oct 2023 and Oct 2024 the share of pages with zero detected errors rose from 22.8% to 58.9%, and average errors per site fell from 5,209 to 4,200.
