

ITIDA–NTI Summer Training Programme — NVIDIA Deep-Learning Digital Badges for Egyptian University Students

AI in Education · Good practice · Egypt

Quality score: 47/100

Evidence strength: Observational / pre–post

Summary

Egypt's ITIDA and NTI run an annual national summer-training programme placing thousands of university students into industry tracks; in 2025 over 1,400 earned NVIDIA Deep Learning Institute badges, though access skewed heavily toward Cairo and the Delta.

Key dimensions

Dimension	Score
