

KIOS Research and Innovation Center of Excellence — University of Cyprus's EU Teaming-Funded ICT Hub

City Innovation Library · Good practice · Cyprus

Quality score: 71/100

Evidence strength: Strong

Summary

A Horizon 2020 'Teaming' partnership with Imperial College London turned a University of Cyprus ICT research group into the country's largest critical-infrastructure R&D; centre, backed by over €40 million in EU and national funding plus a dedicated innovation hub for spin-outs.
