

KNUST Technology Consultancy Centre and the GRATIS Foundation Network

City Innovation Library · Good practice · Ghana

Quality score: 90/100

Evidence strength: Descriptive / self-reported

Summary

Founded in 1972, KNUST's Technology Consultancy Centre pioneered Ghana's Intermediate Technology Transfer Unit model with informal-sector artisans in Kumasi; replicated nationally via the government's GRATIS Foundation, which took over 31 more Technology Solution Centres in 2025.
