

Library Digital Inclusion Fund Action Research Project

Digital Inclusion · Good practice · United Kingdom · National

Quality score: 12/100

Evidence strength: Cautionary / limited

Summary

In September 2015, following consultation with the Libraries Taskforce, Tinder Foundation launched the Library Digital Inclusion Fund: a six-month action research project that ran between 1 October 2015 and 31 March 2016. The £100,000 fund was open to libraries that already had W
