

Maltese women remain under-represented on decision-making boards

Gender Equality · Literature / resource · Malta · National

Quality score: 11/100

Evidence strength: Cautionary / limited

Summary

Despite signs of improvement in the EU's gender equality index, Maltese women are still in a very small minority on the boards of directors of both public and private entities. In the EU Gender Equality Index 2017, Malta scored the most significant progress out of all participati
