

Meet and Code

Digital Inclusion · Good practice · Germany · Transnational

Quality score: 56/100

Evidence strength: Descriptive / self-reported

Summary

The goal of Meet and Code is to introduce children and young people between the age of 8 and 24 years to the world of technology and coding. The events are designed to show young people how much fun coding can be and in which ways it can help to bring ideas to life. It supports t
