

Mind of My Own

Digital Inclusion · Good practice · United Kingdom · Transnational

Quality score: 76/100

Evidence strength: Descriptive / self-reported

Summary

Mind of My Own has developed two apps that help young people communicate their views in a way that suits them. With MOMO's 'One App' for example, young people create their own account, which can be used on any device at any time. This means that young people can use the app to sa
