

Minute — the UK's Incubator for AI Trials

Generative-AI Meeting Notes in 25 Councils

AI in the Public Sector · Good practice · United Kingdom

Quality score: 40/100

Evidence strength: Moderate

Summary

Minute, part of the UK's 'Humphrey' toolkit, turns meetings into editable notes. Announced 23 May 2025 with a 25-council trial, early central-government tests reported about an hour of admin saved per one-hour meeting; results are early and not independently evaluated.

Key dimensions

Dimension	Score
Evidence of impact / measured public value	1/3
Transparency, fairness & accountability	1/3
Transferability / demonstrated replication	2/3
Scalability beyond pilot	1/3
Governance, capability & sustainability	1/3
