

Mongolia's One-Stop Service Centre Network — Integrating Care for Domestic-Violence Survivors

Gender Equality · Good practice · Mongolia

Quality score: 52/100

Evidence strength: Observational / pre–post

Summary

Mongolia built a national network of 17 One-Stop Service Centres and 14 shelters co-locating legal, psychosocial, health and shelter support for domestic-violence survivors. Reported cases fell 32% between 2016 and 2019, though causal attribution is not independently verified.
