

Mozambique Publishes a Draft National AI Strategy for Public Comment, Anchored on an Already-Created National AI Commission

AI in the Public Sector · Good practice · Mozambique

Quality score: 40/100

Evidence strength: Moderate

Summary

Mozambique's INTIC published a draft National AI Strategy in May 2026, opening a month-long public-comment period before Council of Ministers submission, targeting education, health, agriculture, energy and digital public services under an already-created National AI Commission.

Key dimensions

Dimension	Score
Evidence of impact / measured public value	0/3
Transparency, fairness & accountability	2/3
Transferability / demonstrated replication	1/3
