

NCC Montenegro x MAIA — A National HPC Centre and AI Association Partner on AI Skills Training

AI in Education · Good practice · Montenegro

Quality score: 20/100

Evidence strength: Cautionary / limited

Summary

Montenegro's National HPC Competence Centre and the Montenegrin AI Association formalised an AI-skills partnership in 2026, building on a completed 2024 university course, AIFusion, that trained students in AI applications and closed with a public 19-project student conference.

Key dimensions
