

One Laptop per Student Initiative

Digital Inclusion · Good practice · Saint Vincent and the Grenadines

Quality score: 48/100

Evidence strength: Moderate

Summary

Since 2014, Saint Vincent and the Grenadines' Ministry of Education has distributed Acer laptops and tablets aiming to give every secondary student a device, corroborated by five independent sources — though budget, cumulative totals and outcome evaluations remain unpublished.

Key dimensions

Dimension	Score
Innovation level	2/5
Sustainability (ongoing)	1/1
