

One-Stop Crisis Centre (OCC) — Bangladesh's Hospital-Based Model for GBV Survivors

Gender Equality · Good practice · Bangladesh

Quality score: 63/100

Evidence strength: Moderate

Summary

Opened in August 2001 at Dhaka Medical College Hospital via a five-ministry, NGO and donor collaboration, Bangladesh's OCC model has since spread to other hospitals; a 2025 study rated its medical care highly but found critical gaps in legal and financial support.
