

One-Stop Crisis Management Centres (OCMC) — Nepal's Hospital-Based Network for Gender-Based Violence Survivors

Gender Equality · Good practice · Nepal

Quality score: 63/100

Evidence strength: Moderate

Summary

Since 2011, Nepal's health ministry has built hospital-based One-Stop Crisis Management Centres for gender-based-violence survivors, reaching 88 centres in 77 districts by 2023 - though studies find chronic understaffing and weak referrals undermine care.

Key dimensions
