

Open Data Albania — Albanian Institute of Science's Public-Spending Transparency Platform

City Innovation Library · Good practice · Albania

Quality score: 62/100

Evidence strength: Descriptive / self-reported

Summary

Since 2014, Albania's NGO-run Open Data Albania has published treasury transactions for 1,600+ public institutions dating to 2012, arming journalists and courts — its evidence helped strip an MP's mandate and forced three parties to disclose campaign finances.
