

Orange Digital Center Cameroon – GIZ-Backed Coding, Skills & Youth Employment Hub

Digital Inclusion · Good practice · Cameroon

Quality score: 92/100

Evidence strength: Descriptive / self-reported

Summary

A BMZ/GIZ partnership with Orange Cameroun trains disadvantaged youth in coding, hardware and entrepreneurship, extending digital skills into Cameroon's under-connected regions; over 2,500 people trained and 560+ placed in jobs or internships since 2020.

Key dimensions

Dimension	Score
