

Organic Law No. 58 on Eliminating Violence Against Women

Gender Equality · Good practice · Tunisia

Quality score: 52/100

Evidence strength: Moderate

Summary

Tunisia's 2017 Organic Law 58 created the country's first comprehensive law against violence against women, closing the marry-your-rapist loophole, but independent surveys and a Council of Europe assessment found low budget and low awareness (37% unaware of the law) leave enforce
