# OSESGY's AI-Powered Peace Dialogue — the First Use of Large-Scale AI-Assisted Consultation in an Active UN Mediation, With 500+ Yemenis

AI in the Public Sector · Good practice · Yemen

Quality score: 47/100

Evidence strength: Moderate

### *Summary*

In June 2020 the UN Yemen envoy's office and DPPA's Innovation Cell held a 3-hour AI-assisted online dialogue with 500+ anonymous Yemenis on a ceasefire, peace talks and COVID-19. It was the first such use in a live UN mediation, but its impact is unevaluated.
