

Partnerschaft ohne Gewalt (PoG) — Zurich's Court-Mandated Learning Programme for Domestic-Violence Perpetrators

Gender Equality · Good practice · Switzerland

Quality score: 96/100

Evidence strength: Quasi-experimental

Summary

Since 2000, Zurich's probation service has run a court- and child-protection-ordered course for people who used violence in a partnership. Evaluations found 14% of completers reoffended versus 25% of non-completers, with gains confirmed again in 2025.
