

Peru's Official Femicide Registry — Ministerio Público & INEI

Gender Equality · Good practice · Peru

Quality score: 52/100

Evidence strength: Moderate

Summary

Peru tracks femicide through two connected official channels - the Ministerio Público's case registry and INEI's national statistics - but 2024 counts diverged sharply (154 vs. 119 cases), exposing gaps in the country's most authoritative violence data system.
