

# PRATP — Puerto Rico's State Assistive Technology Reuse, Loan and Fabrication Program

Digital Inclusion · Good practice · Puerto Rico

Quality score: 68/100

Evidence strength: Observational / pre–post

## Summary

Since 1993, Puerto Rico's federally funded Assistive Technology Act program has run device loans, reuse and low-cost fabrication services islandwide; its 2023 federal report shows 31 fabricated devices delivered for \$90 each against \$13,781 retail value — a \$13,691 saving.

## Key dimensions

| Dimension                | Score |
|--------------------------|-------|
| Innovation level         | 2/5   |
| Sustainability (ongoing) | 1/1   |
| Evaluation evidence      | 1/1   |
| Demonstrated reach       | 0/1   |
| Documented learning      | 1/1   |
