

Presidential Hackathon — Taiwan's Annual Bridge from Civic Hackathon to Government Policy

City Innovation Library · Good practice · Taiwan

Quality score: 81/100

Evidence strength: Strong

Summary

Taiwan's annual Presidential Hackathon pairs citizen and civil-servant teams to solve public problems with data, then embeds winning prototypes into agency operations. The 2023 edition drew 60+ international proposals; the winning 'Water Saviours' tool was invited to New Zealand.
