

ProAI — the Inter-American Development Bank and Banj Launch Haiti's National AI Training Network

AI in Education · Good practice · Haiti

Quality score: 20/100

Evidence strength: Cautionary / limited

Summary

Launched 11 March 2026, ProAI is a three-year IDB technical-cooperation programme with Haitian tech hub Banj to train at least 125 developers, students, private-sector staff and officials in AI, building a national expert network and an AI roadmap by 2028.

Key dimensions

Dimension	Score
