

Reboot UK

Digital Inclusion · Good practice · United Kingdom · National

Quality score: 72/100

Evidence strength: Observational / pre–post

Summary

Reboot UK aimed to test how three targeted interventions (peer mentoring, shared practice, home access) could lead to significant personal benefits for families in poverty, people with mental health issues and homeless people. Generalised support misses people with specific needs

Key dimensions

Dimension	Score
Innovation level	3/5
Sustainability (ongoing)	1/1
Evaluation evidence	0/1
Demonstrated reach	1/1
Documented learning	1/1
