

REDI - Rural Empowerment through Digital Inclusion

Digital Inclusion · Good practice · Georgia

Quality score: 52/100

Evidence strength: Moderate

Summary

An EU-funded project led by Estonia's eGovernance Academy and Poland's Solidarity Fund PL is building public internet access points and rural digital hubs, and training digital-skills trainers, across 200 villages in four of Georgia's least-connected regions.

Key dimensions

Dimension	Score
Innovation level	3/5
Sustainability (ongoing)	0/1
