

RedINC — Indigenous, Black & Campesino Community Cellular Network

Digital Inclusion · Good practice · Colombia

Quality score: 96/100

Evidence strength: Descriptive / self-reported

Summary

A community-owned GSM/4G cellular network built and operated by Indigenous, Afro-Colombian and campesino communities in Buenos Aires, Cauca, after they won a first-of-its-kind local spectrum agreement with Colombia's telecoms regulator.
