

RENIEC's TECH5 ABIS — Peru's Biometric Platform for Once-Only Citizen Authentication

AI in the Public Sector · Good practice · Peru

Quality score: 60/100

Evidence strength: Descriptive / self-reported

Summary

Peru's civil registry RENIEC awarded TECH5 a three-year public-tender contract for AI-based facial capture and multi-biometric ABIS matching, aiming to let citizens authenticate once via phone or browser instead of re-proving identity to every digital service.

Key dimensions

Dimension	Score
Evidence of impact / measured public value	1/3
Transparency, fairness & accountability	1/3
Transferability / demonstrated replication	2/3
Scalability beyond pilot	3/3
Governance, capability & sustainability	2/3
