

Réseau SATT — France's National University-to-Industry Technology Transfer Network

City Innovation Library · Good practice · France

Quality score: 71/100

Evidence strength: Observational / pre-post

Summary

Since 2012, France's 13 regional SATT companies have pooled university and public-lab patents into single professional transfer offices, filing 4,300+ patents and creating 900+ startups worth ~€4bn — though a funding cut to €45m tests the model's sustainability.
