

SAPR — Dominican Republic's AI-Flagged Procurement Alert System

AI in the Public Sector · Good practice · Dominican Republic

Quality score: 67/100

Evidence strength: Descriptive / self-reported

Summary

Since 2021 the Dominican Republic's procurement authority has run automated daily alerts across its e-procurement system, flagging collusion and ineligible bidders. It won a 2026 UN Public Service Award; DGCP reports US\$778M redirected and an 80% drop in collusive incidents.
