

# Science Park Graz — Austria's leading publicly funded high-tech incubator with 700+ alumni companies

City Innovation Library · Good practice · Austria

Quality score: 81/100

Evidence strength: Strong

## Summary

Graz's publicly funded high-tech incubator has supported 700+ startups since 2002, generating 35+ new companies per year with a ~90% survival rate, through an 18-month AplusB programme backed by TU Graz, ESA, and local financial institutions.

## Key dimensions

| Dimension                                  | Score |
|--------------------------------------------|-------|
| Evidence of impact / measured results      | 3/3   |
| Transferability / demonstrated replication | 3/3   |
| Scalability                                | 2/3   |
| Sustainability / continuity                | 3/3   |
| Innovation                                 | 2/3   |
| Inclusiveness / equity                     | 1/3   |
| Multi-stakeholder collaboration            | 3/3   |
