

Scriptix — the Philippine Judiciary's AI Transcription Pilot That Cut Court-Reporting Time Up to 80%

AI in the Public Sector · Good practice · Philippines

Quality score: 87/100

Evidence strength: Observational / pre–post

Summary

A 14-month pilot of the AI transcription platform Scriptix in the Sandiganbayan and 41 trial courts cut transcription time by up to 80% and lifted accuracy from 70% to 95%, prompting the Supreme Court to authorise a nationwide rollout to all court stenographers.
