

SEEPD/EDID Digital Literacy — Cameroon Baptist Convention's Assistive-Technology Training for the Visually Impaired

Digital Inclusion · Good practice · Cameroon

Quality score: 48/100

Evidence strength: Observational / pre–post

Summary

Since 2009, Cameroon Baptist Convention Health Services' SEEPD/EDID programmes have equipped visually impaired residents of the North West Region with screen readers, braille embossers and smartphone training — moving trainees into teaching, journalism and self-employment.

Key dimensions

Dimension	Score
