

Sello Empresa Mujer — ChileCompra's Automatic Gender Certification for Public-Procurement Suppliers

Gender Equality · Good practice · Chile

Quality score: 74/100

Evidence strength: Strong

Summary

An automatic seal in Chile's national e-procurement platform flags women-led suppliers. Certified suppliers grew to 33,673 by 2024, yet their 22.2% share of transacted value has not clearly exceeded the 25% share recorded at the 2016 launch.
