

# Shared Service Facilities — DTI's Common-Use Machinery Network for Filipino MSMEs

City Innovation Library · Good practice · Philippines

Quality score: 71/100

Evidence strength: Strong

## Summary

Since 2013, DTI has installed 3,500+ shared-equipment facilities nationwide, reaching 600,000+ Filipino MSMEs — though the sole independent review called the productivity evidence 'not yet robust'.

## Key dimensions

| Dimension                                  | Score |
|--------------------------------------------|-------|
| Evidence of impact / measured results      | 1/3   |
| Transferability / demonstrated replication | 3/3   |
| Scalability                                | 3/3   |
| Sustainability / continuity                | 3/3   |
| Innovation                                 | 1/3   |
| Inclusiveness / equity                     | 2/3   |
| Multi-stakeholder collaboration            | 2/3   |
