

She Code Africa — Pan-African Digital Skills Training for Women and Girls

Gender Equality · Good practice · Nigeria

Quality score: 67/100

Evidence strength: Descriptive / self-reported

Summary

Founded in Lagos in 2016, nonprofit She Code Africa grew from local meetups into a pan-African network training women and girls in coding, cybersecurity, data science and DevOps in 20+ countries, though its self-reported reach (17,000 to 70,000+) varies sharply by source.
