

SUMMER CAMP — CDC Bénin and EPITECH's Inclusive Digital-Careers Training for Blind and Low-Vision Youth

Digital Inclusion · Good practice · Benin

Quality score: 48/100

Evidence strength: Moderate

Summary

In September 2024, CDC Bénin funded a one-week 'Summer Camp' where EPITECH Bénin taught programming, robotics and app development to 100 blind, low-vision and other disadvantaged youth from Cotonou's CPSAA Sègbèya centre and Foyer Laura Vicuna, with accessibility-adapted support.

Key dimensions

Dimension	Score
Innovation level	2/5
Sustainability (ongoing)	0/1
Evaluation evidence	0/1
Demonstrated reach	1/1
