

Sweden's Psychological Defence Agency — A National Institution to Counter Foreign Disinformation

AI in the Public Sector · Good practice · Sweden

Quality score: 60/100

Evidence strength: Descriptive / self-reported

Summary

Established January 2022 under Sweden's Ministry of Defence, the Psychological Defence Agency (MPF) tracks foreign influence operations and builds citizen resilience — from exposing a false child-services narrative to Nordic media-literacy campaigns.

Key dimensions

Dimension	Score
