

Tajikistan's Tax Committee Launches an AI Q&A; Service, Plans Audit-Reducing AI by 2030

AI in the Public Sector · Good practice · Tajikistan

Quality score: 27/100

Evidence strength: Cautionary / limited

Summary

Tajikistan's Tax Committee switched on a round-the-clock AI Q&A; service on 1 April 2026, and separately outlined an IMF-linked plan to use AI risk-scoring to cut routine audits by 2030. No usage or audit-reduction figures have been published for either.

Key dimensions

Dimension	Score
Evidence of impact / measured public value	0/3
